

Dear Patron:

Thank you for choosing The South Carolina State Fair as your tailgating destination. Please read the following information carefully as it pertains to your tailgating experience.

Where You Will Park:

The Individual Game RV Parking lot is located through Gate 12 off Rosewood Dr. This lot has no hookups available but restrooms are available for use at all times. There is also a dump station in this area but will not be available until 7am the day after the game.

Physical Address → 1200 Rosewood Dr. Columbia, SC 29201

Gate 12 GPS Coordinates → 33.976815 (Latitude), -81.024588 (Longitude)

Hours of Operation:

We will open the lot at 2pm the day before the game and require everyone to be out by 2pm the day after the game. Vehicles not checked out by this time will be charged \$40 per hour.

Parking and Security:

Even though you have reserved a spot, you will not be given a specific site number. Parking is done on an upon arrival basis. If you would like to park next to another RV then you will need to enter the fairgrounds at the same time. We ask that you stage yourselves outside the fairgrounds until your whole party arrives.

Each reservation includes one (1) car pass. Two (2) additional car passes may be purchased upon arrival for \$30 each. Car Passes give you the ability to leave and return to the fairgrounds an unlimited amount of times the day before and after the game. You may leave and re-enter the fairgrounds one (1) time on the day of the game.

Security will be on the premises at all times once the gates open to assist with any problems or questions.

Lastly, please review the Rules and Regulations below to ensure the best tailgating experience for all patrons. Thank you for choosing the South Carolina State Fair.

Sincerely,

Kyle Gustafson
